Dear Harold, ANA 3/12

Thanks for the article on the Civil War. I always enjoy reading them. Hopefully I will get to teach some more U.S. History in summer school in Tom Peet's school like last summer.

I will be conducting a local history tour of the Columbus area 8:30-5:00 on May 2 for Ohio State's (adult) Creative Activities Program. Indian mound, canal locks, State Capitol (Lincoln spoke there on way to inaugural; lay there on way back to Springfield), and Green Lawn Cemetery (Eddie Rickenbacker, founders + pioneers + George Bush's paternal grandfather there).

I'll get to you on some visiting dates a little later in the month. We're in it at least for taking you both to lunch at your convenience and sometime to chat.

We're having some winter now after rain for 2 days. Colder all week! Take care. Sincerely, Dave
